

# Chalet L'Ours Blanc

## 4\* ski in ski out chalet for 8 - sauna and log fire

You can ski right back to this modern chalet, just a short walk from shops and restaurants

### About Chalet L'Ours Blanc ...

You can ski down to the lifts from this fabulous semi-detached chalet in Chinaillon, Le Grand Bornand, and at the end of the day, just ski back to your door, put your boots on the warmer and relax in the sauna.

In the summer, this great location means there are great cycle routes and hikes on your doorstep.

It's also just a short walk into the resort centre, which has a good choice of shops, bars and restaurants, so you'll never have too far to go to pick up some fresh bread in the morning, or to enjoy a delicious Savoyard meal in the evening.

Le Grand Bornand is the birthplace of Reblochon cheese, so expect it to figure heavily on the menu! There's even a weekly Reblochon market on Wednesdays, where you can pick up your own ingredients for a tasty tartiflette.

Le Grand Bornand has been awarded the Famille Plus label, which recognises a high level of facilities for parents and children, and in August there's a great festival designed to keep your little ones happy!
